comnts Fmd : SCA. This stand has the public access site for Lake Ferdelman, as well as the footings for an old fire tower. There has been significant ORV (Off-Road Vandalism) damage. Boulders have been placed to attempt to control ORVs, but some of these have been circumvented. After buffering for water, the access site, the tower site and steep slopes, there is little left to harvest. Also, removing trees will make ORV control very difficult/expensive
