Comments from Stakeholders

Open House at the Shingleton Field Office, on December 10, 2009 – 5 visitors came to view maps and data and discuss prescriptions with staff.

- Written comments were provided by the Michigan Sharptailed Grouse Association, and the Manistique Rifle and Pistol Club. These comments were discussed with the appropriate compartment.

Comments from stakeholders that were provided at the open house or otherwise during the comment period were announced and discussed. Comments specific to compartments were read and considered as each compartment was discussed. Stakeholder input that resulted in changes to prescriptions for a specific compartment or stand is recorded in the compartment notes below. Copies of all comments are on file at the unit office.

Update on Department Merger – Mike Paluda

Mike gave a report on the Brown Bag teleconference that Bruce Rasher held on December 17, 2009 to share information about the DNR/DEQ merger. This information is subject to change; further information should be out to employees soon.

MNFI comments and discussion

MNFI comments suggested prescriptions within potential Biodiversity Stewardship Areas be postponed until the areas were finalized. At review it was decided that all treatments will go forward as proposed at this time, and any conflicts with BSA's and treatments will be worked out through the compartment change of inventory process.
