

## RIDING ON EQUIPMENT

A. Enabling Acts

None

B. Policy

No one shall be allowed to ride, or travel in any manner, on mobile equipment except in the seat designed for the operator and passengers.

C. Explanation

The safety of permanent and imprest employees is the first consideration in fire suppression and project work.

D. Procedure

It is the responsibility of each operator to insure that no one is allowed to ride on the outside of any mobile vehicle.

It is the responsibility of each employee to insist on compliance whenever equipment is being used for any purpose.

Supervisors will inform all equipment operators of the policy and are responsible for compliance.
