

# HUNTING ACCESS PROGRAM (HAP) FARM SUMMARY

Revised: April 16, 2014

For additional information on HAP, like the HAP Digest, please visit [www.michigan.gov/hap](http://www.michigan.gov/hap)? Have you tried MI-HUNT, the interactive huntable-lands map tool at [www.michigan.gov/mihunt](http://www.michigan.gov/mihunt)

## To Reach HAP Property Maps:

(access to maps requires an internet connection for the links to work)

\* [Click here for a State-wide map of all the current HAP farms.](#)\* Each **County Name header** (in orange) contains links to county-specific maps.\* Click on the **Landowner Name** for a detailed map of for each farm; Landowners with multiple properties may have more than one map.

**For help navigating to specific HAP properties:** Farms without a house or building can include an approximated address to help hunters navigate to close to the Farm Headquarters or farm property (if both are not the same). Property maps include the specific Farm Headquarter location.

## Other important notes:

**Habitat Type:** breakdown in acres: WW = wetland wildlife (ducks, geese); FW = forest wildlife (deer, squirrel, rabbit, turkey);  
FA = farmland wildlife (pheasant, rabbit, deer); CC = cropped land.

**Hunt Types:** Hunting varies by farm. Up to two adults allowed per youth or apprentice hunter on Youth & Apprentice farms.
