

**Front - Title/Description**

**Aaron Greeley**

In 1796, when the United States occupied Michigan, there existed many conflicting land claims along the Detroit and Rouge Rivers. Congress in 1806 created a Board of Land Commissioners to adjust these claims. Aaron Greeley, an experienced surveyor, was appointed in 1808 to map this area. On April 23, 1812, Congress validated these claims surveyed by him.

**Back - Title/Description**

**St. Cosme Line Road**

Southfield Road in this area was known for many years as the St. Cosme Line Road. This marker stands near the end of the northern boundary of a large tract of land, extending to the Detroit River, which was granted to Pierre Lawrence St. Cosme in 1776 by the Potawatomi Indians.
