

This map displays a grid of 36 numbered sections, likely representing land parcels or survey sections. The grid is oriented with North at the top. The sections are numbered 1 through 36, with some sections shaded in green and others in red with a cross-hatch pattern. The map includes several geographical features: the Menominee River flows along the western edge; Shokry Creek and Rosebush Creek are shown in the central and eastern areas; and Rosebush Lake is located in the central-western part. Roads are marked, including State W2 Rd, Deacon Ln, County Road 577, and Boneyard Road. The map is divided into three townships: Holmes Township (top), Lake Township (middle), and Boneyard Road (bottom). The map is labeled with coordinates T37N, R29W and T36N, R28W.
